GENERAL ASSEMBLY MEETS TO REVISE STATE TAX SYSTEM
(Continued From First Page.)

ly in the applause following the reading of the message of the Governor.

The first bills introduced came in a batch. There were twenty-five of them, and they were measures carried in the report made by the Tax Commission. A number of other bills, bearing on tax questions, were subsequently offered.

The four new Senators and two new members of the House were sworn in early in the session, the oath being administered by Clerk O. V. Hanger in the Senate and Clerk John W. Williams in the House. The new Senators are: W. L. Andrews, of Roanoke, who succeeds John M. Hart; W. L. Corbett, of South, who succeeds S. T. Montgomery; C. O'Connor, of Goodrich, who succeeds R. C. L. Moncure; and W. L. Landers, the successor of Senator Edward Echols, of Staunton, deceased.

The adoption of the resolution excluding other than tax matters for consideration was the result of a meeting of the joint committees on Rules, which was held at 10 o'clock in the morning in the office of the Lieutenant-Governor.

HOUSES GET TO WORK WITHOUT DELAY
There is a general disposition on the part of the members of both houses to get down to business without delay. They have a wholesome appreciation of the flight of time and the brief term before them. The pay of the legislators ceases at the expiration of thirty days. Many of them have business affairs demanding their attention even now, and they can ill afford to remain in Richmond and meet their own personal expenses.

The contest for the judgeship made vacant by the retirement of Judge Shackelford, of the Ninth Judicial Circuit, was quietly discussed in cloak-rooms and corridors yesterday. Each of the candidates has his personal and intimate friends here, and the fight was a spirited one. The favored candidates are Edward H. Culp, Commonwealth's attorney of Culpeper; John Rutherford, of Goodland, and A. T. Browning, of Orange. Mr. Browning is the law partner and a distant relative of Delegate George L. Browning.

There are five other judges to be elected by the General Assembly, but

they are appointees of the Governor, now serving unexpired terms, and none has opposition.

Members of the Senate and House who have local bills they would like to introduce were greatly discouraged by the action taken yesterday, excluding from consideration matters not affecting the tax laws, but they retain hope. In the event that the General Assembly finds the task of revising the tax code at this time hopeless, these members will naturally make an effort to have the bars let down so that their local bills may have a hearing.

THE SENATE

The Senate convened promptly at noon yesterday, and in a two-hour session listened to the reading of the Governor's message, dispensed with the numerous formalities incident to organization, and proceeded to the consideration of the tax revision bill.

Senator Howell C. Featherston, of Lynchburg, presented a resolution asking for State aid in the erection of a new bridge across James River connecting the city of Lynchburg with Amherst County. The Senate adopted the resolution, after Senator Featherston and others had made it clear that the matter demanded immediate attention.

A batch of bills embodying the recommendations of the Joint Commission on Tax Revision, were presented by Senators Buchanan and Harman, members of the commission, and were referred to the Committee on Finance.

THIRTY-FIVE SENATORS

Immediately after first roll call, when thirty-five Senators answered their names, the following newly elected members took the oath of office: W. L. Andrews, succeeding John M. Hart, of Roanoke; W. L. Corbett, of South, succeeding Samuel T. Montgomery; C. O'Connor, of Goodrich, succeeding R. C. L. Moncure.

Members of the Democratic caucus held Tuesday night—Senator of the House, Walker, of Northumberland, president pro tem; Roland A. Wise, of Northampton, doorkeeper, and the party who served at the last regular session were all present.

George T. Rison, of Pittsylvania, informed the Senate of the action of the caucus, and presented the name of Senator Walker for president pro tem. Among those seconding the nomination was Senator J. Powell Royal, of Tazewell, who said that while he had not been invited to attend the caucus, he expressed high regard for the new president pro tem.

ADOPT RESOLUTIONS ON DEATH OF ECHOLS
Senator Walker made a motion that suitable resolutions to express the sorrow of the Senate at the death of the late Senator Echols be prepared, and the chair appointed the following committee for the work: Senators C. Harlan, Walker, W. A. Garrett, F. S. Tavenor, B. E. Buchanan, V. M. Sowder, John R. Saunders and J. C. Hanger.

Rules of the last session of the Senate were adopted as the rules of the present session on motion of Senator John Lesner, of Norfolk.

Senator Saxon W. Holt, of Newport News, was designated by the chair to inform the House of Delegates that the Senate was organized and ready for the transaction of business.

The usual greetings were exchanged between the Senate and the House. Senators G. Walter Mapp, John A. Lesner, James E. Cannon, Sands Gayle, John Paul, Saxon W. Holt and George L. Fletcher, composed the committee appointed to inform the Governor that the Senate was organized and ready for business.

Secretary Alexander Forward conveyed the Governor's message to the Senate, and it was duly read in full.

LESNER AND HARMAN ON STEERING COMMITTEE
Senators John A. Lesner and A. C. Harman were appointed by the chair as members of the Steering Committee to all committees vacated or occasioned by the resignations of Senators J. M. Hart and R. C. L. Moncure.

A resolution offered by Senator N. B. Early, Jr., was adopted by the Senate expressing sympathy for United States Senator Thomas S. Martin in the recent death of his wife.

Senator Lesner, expressing the belief that one week's time should prove long enough for the General Assembly to determine which of the two tax plans proposed it would adopt, the commission or the segregation system, and that the remainder of the thirty days of the session should be devoted to perfecting such plan as may be adopted, offered the following resolution:

"Resolved by the Senate, the House of Delegates concurring, that on Wednesday, January 20, 1915, the question shall be taken as to whether there shall be adopted by this session some form of partial segregation." The measure was referred to the Committee on Finance.

Senator Lesner explained that he believed the Senate, after a week of deliberation, should go on record as advocating either the segregation or the commission plan of taxation, and that when this point has been settled the Legislature can spend its time in perfecting whichever plan it may adopt.

The following resolution offered by Senator Cannon was adopted:

JOINT SESSION TO HEAR TAX EXPERTS
"Resolved by the Senate, the House of Delegates concurring, that a joint session of the Senate and House of Delegates be held on Friday, January 15, 1915, at 11 o'clock A. M., at which time Joseph B. Anderson, of R. H. Dodge and Thomas Walker Page, members of the recent special joint committee on taxation, be, and they are hereby, invited and requested to address the General Assembly upon the subject of taxation; and that the expenses attendant thereon be paid jointly out of the contingent funds of the Senate and House of Delegates."

A resolution offered by Senator Mapp designed to delay the 1915 assessment of real estate pending the action of the General Assembly on tax revision, was referred to the Committee for Courts of Justice. The State law requires that all lands be assessed every five years, and this is the year for making the assessment. Senator Mapp explained that should the assessment be held on today, the assessment bureau now many complications will result.

The resolution offered directs judges appointing assessors to instruct all assessors to delay beginning work until the Legislature has passed on the problem which is now pending.

While the present session of the Legislature has been assembled primarily to consider taxation other measures will be taken up. The Senate concurred with the House in adopting the following resolution:

"Resolved by the House of Delegates, the Senate concurring, That at this session of the General Assembly no bill shall be introduced without the consent of both houses previously obtained, except bills affecting the tax system of the State."

TO PERMIT NONTAX BILLS ONLY BY CONSENT
Under this resolution any member of the General Assembly desiring to introduce a measure during this session which does not bear directly on the question of taxation must first obtain the consent of both branches of the Legislature in order to do so.

Senator Howell C. Featherston, of Lynchburg, presented a resolution asking for State aid in the erection of a new bridge across James River connecting the city of Lynchburg with Amherst County. The Senate adopted the resolution, after Senator Featherston and others had made it clear that the matter demanded immediate attention.

A batch of bills embodying the recommendations of the Joint Commission on Tax Revision, were presented by Senators Buchanan and Harman, members of the commission, and were referred to the Committee on Finance.

THE HOUSE
The House of Delegates convened promptly at noon, Speaker Edwin P. Cox presiding. Following an invocation by Rev. James Y. Fair, D. D., of Westminster Presbyterian Church, the roll call for the extraordinary session was read by Clerk John W. Williams. The two new members of the body, E. R. Fuller and Joel Crawford, were invited to take the oath of office and presented to the House. The oath of office was administered to them by Clerk Williams.

The roll call followed, showing ninety-one of the 106 members present. Most of the absentees arrived later in the day. A telegram was received by the Speaker from Delegate Adams, conveying the information that he was unable to attend the session on account of the serious illness of his wife, and would arrive in a few days.

GOVERNOR NOTIFIED AND MESSAGE RECEIVED
Delegate J. N. Stubbs, of Gloucester, was designated by the Speaker to notify the Senate that the House was organized and ready to proceed with the transaction of business. Simultaneously Senator Saxon W. Holt brought a like message from the Senate to the House. Speaker Cox named the following committee to select a clerk for the session: Senators Saxon W. Holt, of Newport News, and J. C. Hanger, of Norfolk. The committee retired, reporting in a few minutes with the information that Governor Stuart would communicate immediately with the legislative body. Five minutes later Alexander Forward, the Governor's secretary, appeared, bearing the message. "Mr. Speaker," he said, "the Governor directs me to deliver this message, and to submit the action to the Senate and House. The document to be signed by the Governor is the message to the clerk and retired. The message was read by Clerk Williams, the members listening attentively to the end."

DELEGATE FULLER GETS IMPORTANT COMMITTEES
Speaker Cox named Delegate Fuller as a member of the Currency and Commerce, General Laws, and Counties, Cities and Towns Committees to succeed the late Mr. Toney. Delegate Crawford was named on the Claims, Public Lands, and Agriculture and Mining Committees to succeed the late Mr. Hartley.

of the two deceased members of the House—D. L. Toney and Robert H. Hartley—Harry B. Owen, reading clerk, and Senator Edward Echols were presented and adopted.

On motion of Judge Williams the House adjourned to meet at 10 o'clock this morning.

The following twenty-five bills, embodying the recommendations of the Tax Commission, were introduced in the House by Delegates Chalkley, Montague, Pitts and A. H.
